

Kids' Tech Night!

Join us for an evening of fun with computer science!

Hosted by the MHS Computer Science Club

Featuring:

- Demos of student-built technology from Science Olympiad, Computer Science Club, and other MHS STEM clubs
 - Lessons in programming in Scratch (a kid-friendly language)
 - Tinkering with electronic snap circuits and other hardware
 - “Unplugged” activities (teaching the basics of computer science through real life games and activities)
 - And much more!
-

When: February 17th, 2017, 6-9 PM

Where: Montgomery High School

Who: *Open to all children in 1st-5th grade!* Parents, this event is *kids only!*

Drop your children off at 6:00PM and enjoy an evening to yourselves :)

Cost: \$20 admission. 100% of funds go towards Montgomery's first Hackathon (a day-long competition where high school students across the state come together to build tech projects for social good). Pizza and water will be provided and are included in the cost.

Register here:

(Walk-ins welcome, but we recommend that you register beforehand)
