

**MONTGOMERY TOWNSHIP SCHOOL DISTRICT
2011-12 CO-CURRICULAR ACTIVITY FEE
WINTER SEASON REGISTRATION FORM**

Dear Parent/Guardian:

The Montgomery Township Board of Education requires a \$100 activity fee for any child, grades 7-12, who will be participating in athletics and/or clubs at the high school or middle school level. This once-a-year fee covers **ALL** the co-curricular clubs and athletic teams your child participates in during the school year.

This fee was implemented in the 2007-08 school year in order to support the large variety of co-curricular programs offered to our students. Montgomery Township School District believes in the value of these programs, from expanded learning opportunities to strengthening mind and body. Co-curricular activities build confidence and compassion, friendship and teamwork.

Dramatic reductions in state aid, school budget caps, rising costs and consideration for those on limited incomes have made it difficult to continue to fund the large variety of programs offered. We are counting on the understanding and support of the community to help us continue our co-curricular programs.

If you have not yet paid the \$100 participation fee, please complete the registration form below. Families that qualify for free and reduced lunch will not be required to pay the activity fee. If you have already paid the co-curricular participation fee for this school year, it is not necessary for you to complete this form again.

In order for your child to participate in upcoming co-curricular programs, payments must be received in the board office by the following dates:
