Important Information for the Physician Completing this Sports Physical

The State of New Jersey now requires that all physicians, advanced practice nurses (APN), or physicians assistants (PA) performing a sports physical examination, must complete the professional development module (PD module) prior to performing any sports physicals.

In order to expedite the clearance procedure of this athletic physical, please be sure and sign the bottom of the clearance form that you have completed the Cardiac Assessment Professional Development Module.

Thank you for your cooperation.

Revised - April 2015

This form should be maintained by the healthcare provider completing the physical exam (medical home). It should not be shared with schools. The medical eligibility form is the only form that should be submitted to a school. The physical exam must be completed by a healthcare provider who is a licensed physician, advanced practice nurse or physician assistant who has completed the Student-Athlete Cardiac Assessment Professional Development module hosted by the New Jersey Department of Education.
