## Day Care Provider Information

The morning pick-up location may differ from the afternoon drop-off location; however, **transportation must be consistent five days a week.** Students cannot switch from one bus to another, i.e. Monday, and Friday at one location and Tuesday and Thursday at another.

Kindergarten session assignments are done geographically. If the location of the day care provider is not the same as your child's Kindergarten session assignment, a written request for session change may be considered by the school principal. If a session change is possible, it might require midday transportation to be the parents' responsibility.

Day Care Provider information must be updated at the beginning of each school year, as well as, whenever there is a change of information. Students' pick-up and drop-off location will revert back to home location at the beginning of each new school year without a new provider form.
