**Addendum No. 1
for
B22-01, Custodial Services for the Lower Montgomery Middle School**

Question: What is the applicable wage rate for the project?

The proposal form requests a lump sum figure which would include the wage rate. On page 90 there is also an opportunity for you to provide extra services and charge back hourly rates above and beyond the contract.

Question: If we are awarded the contract and both parties decide to extend the project for the optional years, do we need to keep the same price or will we be allowed to escalate the price?

No the price can be increased based on the index rate (not the Federal CPI).
