

Data logging software install steps: Capstone (this is the newest version of software. The MHS Science Department will be transitioning to Capstone over the next 2 years).

1. Access software download at [PASCO Scientific](#)
2. Enter License Code under Help/About PASCO Capstone/Enter Key
3. License Code: 1878t-5c0p1-6pp30-qe0ch-p0s6i-dg931

Data logging software install steps: DataStudio (this is the legacy program still used at times in the MHS Science Department)

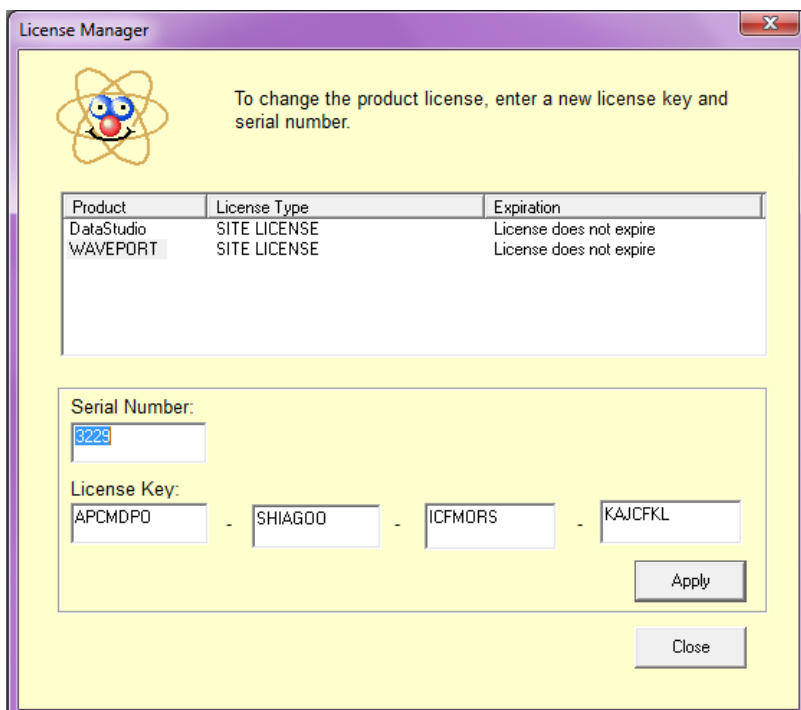

1. Access software download at [PASCO Scientific](#)
2. Enter License Codes under Help/Change License Key
3. Repeat for both full DataStudio and WAVEPORT

The License Manager dialog box contains a table with the following data:

Product	License Type	Expiration
DataStudio	SITE LICENSE	License does not expire
WAVEPORT	SITE LICENSE	License does not expire

Below the table, the Serial Number field contains the value 7929. The License Key field is split into four segments: AQCQDPO, PHIAGOO, ICGDUNS, and FAJCFIL. The Apply and Close buttons are located at the bottom right of the dialog.

The License Manager dialog box shows the updated license information. The table data is as follows:

Product	License Type	Expiration
DataStudio	SITE LICENSE	License does not expire
WAVEPORT	SITE LICENSE	License does not expire

The Serial Number field now contains the value 8229. The License Key field is updated with the segments: APCMDPO, SHIAGOO, ICFMORS, and KAJCFKL. The Apply and Close buttons remain at the bottom right.
