General Information

Purpose

In January 2017, the State Board of Education re-adopted N.J.A.C. 6A:7, Managing for Equality and Equity in Education, which outlines responsibilities for achieving and maintaining compliance with all state and federal laws governing equity in educational programs. As a result, all school districts, including charter schools and renaissance school projects are mandated to develop a three-year Comprehensive Equity Plan (CEP). The responsibility of each board of education and board of trustees of every public school district, charter school and renaissance school project in New Jersey is to identify and correct all discriminatory and inequitable policies, programs, practices and conditions within or affecting its schools. The role of the New Jersey Department of Education (NJDOE) is to ensure that each district, charter school and renaissance school project complies with equality and equity requirements, and to provide guidelines to accomplish that result.

The CEP enables school districts, charter schools and renaissance school projects to demonstrate compliance with all applicable laws, codes, and regulations, including, but not limited to, the following:

Federal Laws

- Titles VI and VII of the Civil Rights Act of 1964
- Title IX of the Education Amendments of 1972
- Section 504 of the Rehabilitation Act of 1973
- Equal Pay Act
- The Americans with Disabilities Act of 1990
- Individuals with Disabilities Education Act (I.D.E.A.)

State Laws

- Article I, Paragraph 5 of the New Jersey State Constitution
- N.J.S.A.18A:36-20, Equality in Educational Programs
- N.J.S.A.10:5 New Jersey Law Against Discrimination
- New Jersey Administrative Code (N.J.A.C.) 6A:7
- N.J.S.A. 18A:35-1, History of the United States and New Jersey
- N.J.S.A. 18A:36-20, Prohibition of Discrimination

Questions

Questions regarding the development, submission, and implementation of the Comprehensive Equity Plan may be sent to countyoffices@doe.nj.gov. Additionally, questions may be directed to the county education specialist at the County Office of Education. The contact list for the county offices of education is available on the NJDOE [County Information and Services](#) webpage.

Submission Deadlines

School districts, charter schools and renaissance school projects must submit the original Comprehensive Equity Plan and corresponding forms to the **County Office of Education** for review and approval no later than **Friday, June 14, 2019** for implementation of the 2019-2020 CEP to begin on September 1, 2019.

Instructions For Completion of the Comprehensive Equity Plan

Step 1: Establish the Affirmative Action Team, [N.J.A.C. 6A:7-1.5](#) (Appendix A)

Each district, charter schools and renaissance school projects shall annually designate a member of its staff as the affirmative action officer (AAO) and provide a resolution approving the AAO. The district, charter school and renaissance school project shall form an affirmative action team (AAT) – a minimum of three individuals – of whom the AAO is a member, to conduct a needs assessment and to develop the CEP. The Department encourages districts, charter schools and renaissance school projects to ensure a diverse stakeholder group and to invite a member of the community as part of the team. The members of the AAT must be identified on the form provided in this manual (Appendix A)—Affirmative Action Team.

Step 2: Conduct Needs Assessment (Appendix B)

Each school district, charter school and renaissance school project board shall use the Appendix B entitled, “District, Charter School and Renaissance School Project Needs Assessment” to conduct a needs assessment of each school. This document is intended to be used as a checklist to assist the AAO and the AAT to identify and eliminate discriminatory practices and other barriers to achieving equity in educational programs. The completed Needs Assessment must be submitted to the county office as part of the documentation that accompanies the Comprehensive Equity Plan. When citing documentation in the Needs Assessment, you **must** include the document title, date of board of education or board of trustees’ adoption or page number in the document being provided. In conducting the needs assessment, the AAT will ascertain whether the school district (and each school within the district), charter school or renaissance school project is in compliance with each requirement in the checklist, and, whether there are internal monitoring procedures in place to ensure continuing compliance. Those items needing correction or requiring an internal monitoring procedure or system will form the basis for the improvement strategies that will be proposed in the CEP.

The school district, charter school or renaissance school project Needs Assessment checklist contains four sections:

- I. Board Responsibility - This section sets forth the types of policies and resolutions that the Board must adopt (create if nonexistent, revise if existing but deficient) in order to comply with applicable law. This section outlines specific areas that must be addressed in these policies and resolutions.
- II. Staff Development - Staff development and training on equity matters is required annually for all staff, certificated and non-certificated.
- III. School and Classroom Practices - This section sets forth the equity requirements for four categories: curriculum, student access, guidance, and physical education/athletics.
- IV. Employment and Contract Practices - This section outlines the basic practices that must be observed to comply with equity requirements in this area.

Note: At the beginning of each section of the Needs Assessment, the laws and codes that specifically apply to the section have been provided for your convenience. The Department encourages the AAT preparing the CEP to refer to these sources of legal authority and become acquainted with the mandates they contain.

Step 3: Develop the Comprehensive Equity Plan (CEP) (Appendix C)

After identifying the items that need correction from the Needs Assessment, improvement strategies covering the next three years must be developed for each one of these identified items. For this purpose, forms specific to each assessment section are provided with this packet.

- I. Board Responsibilities
- II. Staff Development
- III. School and Classroom Practices (One for each sub-area: Equality and Equity in Curriculum, Equality and Equity in Student Access, Equality and Equity in Guidance Programs, and Equality and Equity in Physical Education/Athletic Programs)
- IV. Employment and Contract Practices

The plan to correct or address each item that needs correction must be on the form covering the corresponding section (Board Responsibilities, Staff Development, School and Classroom Practices, and Employment and Contract Practices). Use the Needs Assessment categories and sub-categories as your guide. Each form contains space to include each of the elements of the plan. For each form:

Identify Items that were Not Compliant - In the CEP, enter the section or subsection of noncompliance identified in the Needs Assessment. If a school within a district is not compliant; identify the school(s) by name in the Needs Assessment. If the district, charter school or renaissance school project itself is not compliant, write "district wide, charter school-wide or renaissance school project-wide." If one school is out of compliance, the entire district is out of compliance and a plan to address the noncompliant schools must be developed.

Develop Improvement Strategies – List each identified need from the corresponding number in the Needs Assessment (e.g., I.D.1) together with the strategies/activities you will use to improve or correct the deficiency. A district, charter school or renaissance school project should ensure that its strategies are specific, measurable, achievable, realistic and time-bound (S.M.A.R.T.).

Assign Staff Responsible – List the names and titles of the personnel that will implement the proposed strategies and activities.

Plan the Implementation Timeline - Indicate the year or specific timeframe that the strategy or activity will take place, i.e. 2019-2020 school year; 2020-2021 school year, ongoing, etc.

Provide Evidence of Completion – List the indicator(s) and/or documentation that will be made available for review, if requested, which will verify that the identified need is being or was corrected. Use qualitative or quantitative methods depending on the type of problem that is being corrected. This will set forth the basis for approval of the CEP. Omission of this information will result in disapproval of the CEP; it will be returned for revisions.

A district, charter school and renaissance school project may include more than one "identified item as deficient or non-compliant" and accompanying strategies to correct the problem in one form or submit a separate form for each.

Step 4: Complete the Statement of Assurance (Appendix D)

The Statement of Assurance is submitted with the Comprehensive Equity Plan to ensure district, charter school and renaissance school project compliance with statute and code. The Chief School Administrator or Charter School Lead Person must sign and date the Statement of Assurance in the space indicated at the bottom of the form.

Step 5: Obtain the following Board Resolutions and attach them to the CEP

The following Board resolutions must be attached to the CEP:

- Annual resolution appointing the Affirmative Action Officer for 2019-20 school year;
- Resolution authorizing the Affirmative Action Team to conduct the Needs Assessment and develop a Comprehensive Equity Plan; and
- Resolution authorizing the submission of the proposed Comprehensive Equity Plan.

Step 6: Assemble the Submission Package in this order:

1. Statement of Assurance (Appendix D)
2. Resolution appointing the Affirmative Action Officer
3. Resolution authorizing the Affirmative Action Team to conduct the Needs Assessment and develop a Comprehensive Equity Plan;
4. Resolution authorizing the submission of the proposed Comprehensive Equity Plan.
5. List of Affirmative Action Team members (Appendix A)
6. District, Charter School and Renaissance School Project Needs Assessment (Appendix B)
7. Comprehensive Equity Plan forms, if applicable (Appendix C)

Step 7: Submit the CEP

Submit one (1) original CEP to the County Office of Education on or before Friday, June 14, 2019. The contact list for the county offices of education is available on the NJDOE [County Information and Services](#) webpage.

****After approval and implementation of the comprehensive equity plan, each school district, charter school or renaissance school project is required to submit the annual statement of assurance to their respective county office of education by September 1, 2019. (Appendix D).**

Comprehensive Equity Plan

Accountability:

Each school district, charter school and renaissance school project must review the approved Comprehensive Equity Plan (CEP) on an annual basis and submit a statement of assurance regarding the CEP implementation to the County Office of Education no later than September 1 of each year. Statements of Assurance forms for each school year are attached as Appendix D.

A sampling of school districts, charter school or renaissance school project may be reviewed by the New Jersey Department of Education on an annual basis for compliance of the approved Comprehensive Equity Plan.

Sanctions:

As noted in 6A:7-1.9(f), "If the district board of education or charter school does not implement the comprehensive equity plan within 180 days of the approval date of the plan, or fails to report its progress annually, sanctions deemed to be appropriate by the Commissioner of Education or his/her designee shall be imposed, and may include action to suspend, terminate or refuse to award continued federal or state financial assistance, pursuant to N.J.S.A. 18A:55-2."

*In accordance with NJSA 18A:36C-7h. Renaissance school projects are bound to the laws and regulations that govern charter schools
