

MONTGOMERY TOWNSHIP EDUCATION FOUNDATION

Welcome

Christine Petrane and Christine Zoffinger
Co- Presidents

Mission: The Montgomery Township Education Foundation is an independent, non-profit organization set up to support strategic programs for the benefit of the Montgomery Township public school children. The Foundation's goal is to raise money for the purpose of improving our children's educational experience, acquiring supplies and equipment and supporting innovative teaching and learning systems for our children. MTEF's mission is to maintain and enhance the high quality of a Montgomery, New Jersey public school education through community funding of innovative and essential educational programs, a close working relationship with the school district, and careful review, evaluation and financial oversight of supported initiatives.
