

Montgomery Township School District

Creating confident, compassionate, and successful learners

Dear Parents and Guardians,

As the COVID-19 situation continues to unfold, information is changing faster than we can disseminate it. I would like to thank you all for your patience and understanding as we navigate through this global crisis. The district is planning for distance learning. The planning day was originally scheduled for an early dismissal on Monday, March 16, 2020 but is now changed to the following:

Tomorrow, Friday, March 13, 2020, there is NO SCHOOL FOR STUDENTS as staff prepare for the potential of distance learning.

I am working with all Somerset County schools and I will be sending out additional information this evening.

Thank you,

Mary E. McLoughlin
Acting Superintendent
