

November 1, 2021

Dear Montgomery Township School District,

We would like to thank all of you for your continued support in prioritizing the health and safety of our students and staff. As November begins, and with the holidays on the horizon, we realize that families may have travel plans. The CDC guidelines for domestic and international travel remain in effect. It is important to note that fully vaccinated students and staff are not required to quarantine after travel. Please see specific guidance below:

## **Fully Vaccinated Travelers**

### **International travel:**

- Get tested 3-5 days after returning to the United States
- Do not need to quarantine
- Self-monitor for symptoms

### **Domestic travel:**

- Traveling outside of New Jersey, New York, Pennsylvania, and Delaware
- Do not need to quarantine or test before or after travel
- Self-monitor for symptoms

## **Unvaccinated Travelers**

### **International travel:**

- Get tested 3-5 days after travel
- Stay home and self-quarantine for a full 7 days after travel, even if the post-travel test is negative.
- If not tested after travel, stay home and self-quarantine for 10 days after travel.

### **Domestic travel:**

- Traveling outside of New Jersey, New York, Pennsylvania, and Delaware
- Get tested 3-5 days after travel
- Stay home and self-quarantine for a full 7 days after travel, even if the post-travel test is negative.
- If not tested after travel, stay home and self-quarantine for 10 days after travel.

If you have any questions, please contact your child(ren)'s school.

Sincerely,

Mary E. McLoughlin
