

# MEET THE TEACHER

## MS. DE OLIVEIRA

### ABOUT ME

Dear Parents & Guardians,

Hello, my name is Ms. De Oliveira and I am so thrilled to join the LMS Team this school year! I will be the 6<sup>th</sup> Grade Language Arts and Social Studies teacher while Mrs. Kaplan is on maternity leave.

Although this school year is starting off very differently than years past, there are so many wonderful adventures ahead for our sixth graders. We may be virtual and experiencing a “new normal,” but my goal as your child’s educator is unchanged. They will reach new heights in their appreciation for literacy, and explore themes in social studies that go well beyond the time periods being studied.

Please know that I am aware of the circumstances of these times and the limitations and challenges that virtual learning may bring. I want your child to feel as safe and comfortable in our virtual space as I would in an in-person classroom. If there are particular concerns or needs, I will be as accommodating as possible and will work with you to ensure that your child thrives in this new learning environment.

I will send out a parent survey during the first week of school, so that I may get to know you better and your children. I am eager to meet and welcome the 6<sup>th</sup> graders!

Sincerely,  
Ms. De Oliveira
