

Taking Technology Home!

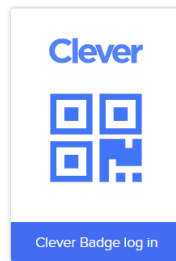

To access our OHES Technology Class Apps and Websites from home, follow these steps:

1. In a web browser, visit:

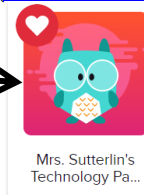

https://clever.com/oauth/authorize?channel=clever&client_id=4c63c1cf623dce82caac&confirmed=true&district_id=5c2f951dd4baf20001137b9b&redirect_uri=https%3A%2F%2Fclever.com%2Fin%2Fauth_callback&response_type=code&state=aead9db05f565bd403e65c989206407d3128904e76bc659f7cf13024b8e2c862

2. If you have your student's unique OHES Clever Badge (QR Code) at home, press:

- If you are using a device with a camera, a camera will come onto your screen. Hold your Clever Badge (QR Code) up to the camera to scan it. This will log you in.
- If you do not have a copy of your Clever Badge please contact your classroom teacher or Technology Teacher, Mrs. Sutterlin (ksutterlin@mtsd.us), for another copy.

3. Click on Mrs. Sutterlin's Technology Page

- There are three sections that include resources.
 - Resources – apps and websites for all OHES grade levels
 - 1st Grade
 - 2nd Grade
- These resources will be updated as the school year progresses. During the second half of the school year, there will be more activities available to view on Google Classroom, as well

Contact Mrs. Sutterlin, OHES Technology Teacher, at ksutterlin@mtsd.us with any questions!
