Subject: Happy Holidays from Supt. McLoughlin

Dear Montgomery Township School District Community,

The holiday season is always a special time of year. It gives us a chance to reflect on the milestones and accomplishments of the past calendar year while also looking forward to all the fun and excitement that a new year brings.

Our students have achieved a lot this year both in and out of the classroom, and I continue to be inspired by their hard work, creativity, and growth. Of course, none of this would be possible without the support and commitment of our families, teachers, and staff members across the district. I am grateful that we have built a strong community in Montgomery Township that truly values learning and allows our students to thrive socially and emotionally.

During this holiday season, it is important to be mindful of our community members who may be facing challenges. Our high school administration recently shared a [guide of mental health and related services](#) that includes resources for local counseling services and crisis hotlines, food banks, housing assistance programs, and more. If you or someone you know is in need of assistance, please do not hesitate to reach out to our counselors or support services.

As we begin the Winter Break, I hope everyone finds time to relax and recharge. I also hope that, whether you are celebrating long-time traditions or starting new ones, this season brings you plenty of peace, joy, and quality time with those you care about.

Warm regards,

Mary E. McLoughlin | Superintendent of Schools
