Please join us at our monthly meetings – All are welcome! MHS's Principal, Mr. Paul Popadiuk attends our monthly meetings and reports on current projects and initiatives throughout the school. Our teacher and student representatives provide a different perspective on what is happening at MHS. And of course, PTSA board and committee members will share projects, new ideas, and volunteer opportunities. Attending meetings and volunteering are great ways to stay on top of all that is happening at MHS. We look forward to seeing you!
