

MES PTA

MES PTA (Montgomery Elementary School Parent Teacher Association) is a community made up of parents, guardians, teachers and staff whose goal is to enrich the experience of our students at Orchard Hill Elementary School and Village Elementary School. **MES PTA is supported by the generous donations of time, finances and love from our community.** Last academic year (2018-2019), **MES PTA raised and provided more than \$80,000** of funding for the students for Educational Programs (ex. Character Education, Author Visits), grants for teachers and staff, facility renovations, appreciations events for teachers/staff, Bingo games, etc. Throughout the year there are many ways to get involved in a way that works for you! For the most up to date information, please visit www.vespta.org or join our facebook group - MES PTA.

It is the policy of both OHES and VES that all volunteers must be active PTA members and have completed the HIB (Harassment, Intimidation and Bullying) training. Training can be found on the PTA website. To sign up for membership, we recommend using following instructions to register on line. If you prefer to register via paper, please complete the form on the back and send via backpack mail to MES PTA. Checks should be made to MES PTA.
