1. PREAMBLE

This Agreement between the Montgomery Township Board of Education, (hereinafter referred to as the Employer) and the Communications Workers of America, AFL-CIO (hereinafter referred to as the Union), has as its premise the intent to promote and maintain harmonious working relationships between the Employer and its employees who are subject to this Agreement in order that more efficient and progressive public service is rendered, and to promote the resolution of disputes at the lowest possible level.

The Employer and the Union recognize their respective responsibilities under Federal and State laws relating to fair employment practices. The Employer and the Union agree that the working environment shall be characterized by mutual respect and dignity to which all individuals are entitled.

2. RECOGNITION AND SCOPE

Section 1: The Employer hereby recognizes the Union as the sole and exclusive representative for all full time and regular part time employees under this agreement for the purpose of collective negotiations pursuant to the New Jersey Employer-Employee Relations Act (N.J.S.A. 34:13A-1 et seq.) concerning wages, hours and other terms and conditions of employment in the negotiating unit described below:

- a) Included: All full time and regular part time Bus/Van Drivers, Bus/Van Attendants/Aides, full-time (12-month) and part-time (10-month) Dispatchers, and anyone doing equivalent duties, who consistently work a minimum of 4 hours per week.
- b) Excluded: Managerial executives, confidential employees, supervisors within the meaning of the Act; casual employees, substitute employees and all other employees employed by the Employer.

Section 2: Unless otherwise indicated, the terms “employee” and “employees” when used in this agreement refer to all persons represented by the Union in the above-defined negotiating unit.

Section 3: This Article shall not preclude the addition of new titles, which shall be negotiated only as to bargaining unit placement and salary at the time the new titles are established. Failure of the Employer and the Union to agree on the bargaining unit placement and salary for a position title shall not delay the filling of the position and the payment of the employee(s) serving therein by the Employer.

3. MANAGEMENT RIGHTS

A. Except as expressly limited by this Agreement, the Union recognizes that the Employer retains sole responsibility and authority in the management and direction of all operations and activities in the Montgomery Township School District. The Employer reserves to itself sole jurisdiction, authority and responsibility over matters of policy and retains the right:

1. To direct employees of the Employer;
2. To hire, promote, transfer, assign and retain employees in positions in the Employer and to suspend, demote, discharge, or take other disciplinary action against employees;
3. To relieve employees from duty because of lack of work or for other legitimate reasons;
4. To maintain efficiency of the Employer operations entrusted to them;
5. To determine the methods, means, and personnel by which such operations are to be conducted; and
6. To take whatever actions may be necessary to carry out the mission of the Employer in situations of emergency.

4. UNION RIGHTS

The Employer agrees to furnish the Union with public information upon written request. This information includes, but is not limited to, bargaining unit employees' (including new hires) names, addresses, phone numbers, salary and health benefit information, work locations (routes), any information relative directly to a grievance, negotiations, or disciplinary matter.

Representatives of the Union, including shop stewards, shall be permitted to transact official Union business on the Employer's property at all reasonable times, provided that this shall not interfere with or disrupt the normal operations. Representatives of the Union, including shop stewards, shall be permitted to conduct membership meetings on the Employer's premises and to use school buildings designated by the Employer for same when such buildings are not otherwise in use.

The Union shall have space to post notices and other Union information on a bulletin board and to use interoffice mail and/or mailboxes. If no bulletin board exists, the Union shall bear the cost of purchasing the bulletin board and the Employer shall have it installed in a place conspicuous to all bargaining unit employees, presumably in the Transportation Office currently located in the trailer.

The Union may appoint one (1) delegate per school year to attend bona fide CWA Local 1040 Union conferences, conventions and/or trainings for two (2) working days per school year with full per diem pay. Any employee for whom the Union makes such appointment must notify the Superintendent or his/her designee at least five (5) working days in advance of the date of the conference, convention and/or training. The appointment will be honored unless working conditions at the time are such that the employee's services cannot be compromised. In such case, an alternative representative may be designated by the Union.

5. DEFINITIONS

- A. All references to employees in the Agreement designate all sexes, and whenever gender is used, it shall be construed to include all employees.
- B. The term “holiday” means any day so designated under the Article concerning holidays herein or a day especially designated by the Employer herein.

6. NON-DISCRIMINATION

- A. The Employer and the Union duly understand and agree that there shall be no discrimination against any employee because of age, sex, marital status, race, color, religion, sexual preference, statutorily protected handicap/disability, national origin, political affiliation, or gender.
- B. Employees are free to engage in union membership or activities or to refrain from so doing.
- C. The Employer and Union are committed to maintain a harassment-free workplace.

7. GRIEVANCE PROCEDURE

A. PURPOSE

- 1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.
- 2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance, to discuss the matter informally with any appropriate member of Administration, and having the grievance adjusted, as long as

the Union or its designee is involved with the employee in those informal discussions.

B. DEFINITIONS

The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance"; or
2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Employer involving terms and conditions of employment shall be processed up to and including the Superintendent, and shall hereinafter be referred to as a "non-contractual grievance."

C. PRESENTATION OF A GRIEVANCE

1. The Employer agrees that in the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and Union Shop Steward who is an employee of the School District throughout the grievance procedure. It is understood and agreed that if available, private space shall be provided by the Employer for the prior discussion of a grievance.
2. It is further understood and agreed that upon written request, the Employer shall make available to the Union all documents, witness names and statements, if any, video and/or audio recordings, or other such materials as may be needed which are directly related to the grievance. Said materials shall be made available as quickly as possible, but at no time less than five (5) business days prior to the hearing/meeting date.

D. STEPS OF THE GRIEVANCE PROCEDURE

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement:

1. Step 1

- a. The grievant shall institute action under the provisions hereof in writing, signed and delivered to his/her immediate Supervisor within ten (10) working days of the occurrence complained of. The grievant shall state the sections of the contract violated (if filed under B.1) and the remedy sought. Failure to act within said 10 days shall be deemed to constitute an abandonment of the grievance.
- b. The supervisor shall render a decision in writing within ten (10) working days after receipt of the grievance.
- c. Grievances which challenge a decision made above the level of department supervisor shall be brought at the level that the decision was made.

2. Step 2

- a. In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his/her complaint with the Business Administrator within ten (10) working days following the determination at Step 1. The grievant may be represented by an employee who is the Shop Steward or Local Union Representative. Failure to act within said 10 days shall be deemed to constitute an abandonment of the grievance.

- b. The Business Administrator, or his/her designee, shall render his/her decision in writing within ten (10) working days after the receipt of the complaint.

3. Step 3

- a. Should the grievant disagree with the decision of the Business Administrator, or his/her designee, the aggrieved employee may, within ten (10) working days, submit to the Superintendent, a statement in writing and signed as to the issues in dispute. Failure to act within said 10 days shall be deemed to constitute an abandonment of the grievance.
- b. The Superintendent may consider the appeal on the written record, or he/she may request to hold a hearing within six (6) working days of receipt of the grievance appeal. If the Superintendent elects to conduct a hearing, it shall be held within ten (10) working days from the receipt of the grievance appeal. The Superintendent shall make a determination within ten (10) working days from the receipt of the grievance appeal or the date of the hearing, whichever is later, and shall in writing notify all interested parties of his/her decision.
- c. The grievant may be represented by the Local Union Representative or the International Union Representative, or both. A minority organization shall not present or process grievances.

4. Step 4

- a. Any unresolved contractual grievance (as defined in B.1, Definitions above), may be appealed to arbitration only by the Union. The Union must file the request for

arbitration within thirty (30) calendar days after receipt of the Superintendent's decision. Failure to act within said 30 days shall be deemed to constitute an abandonment of the grievance.

- b. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. The Union's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.
- c. The arbitrator shall be selected from a list by agreement between the parties by selection from the panel of arbitrators maintained by the Public Employment Relations Commission.
- d. The decision or award of the arbitrator shall be final and binding on the Employer, the Union and the grievant or grievants to the extent permitted by and in accordance with applicable law and this Agreement.
- e. The arbitrator may prescribe an appropriate back pay remedy in cases of suspension or discharge when he/she finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except that he/she may not make an award which exceeds the Employer's authority. The arbitrator shall not have authority to prescribe a monetary award as a penalty for violation of this Agreement.
- f. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his/her decision solely to the interpretation and application of this Agreement.

- g. The costs of the services of the arbitrator shall be borne equally by the Employer and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring same.
- h. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.
- i. The arbitrator shall hold a hearing at the time and place convenient to the parties as expeditiously as possible after his/her selection and shall issue his/her decision within thirty (30) days after the close of the hearing.
- j. Employees shall not suffer any reprisals, coercion and/or intimidation as a result of implementing, or for refraining from implementing, any provision of the grievance article.

8. HOURS OF WORK

- A. Bus Drivers on non special education routes will be on a schedule of no less than 5.25 hours per day. Pre-trip and post-trip, including paperwork, daily fueling and cleaning are included in this time.
- B. Bus Drivers assigned to special education routes may work more than 5.25 hours per day as necessitated by the assigned route. Pre-trip and post-trip, including paperwork, daily fueling and cleaning are included in this time.
- C. Bus Aides on non special education routes will be on a schedule of no less than 5.25 hours per day. Bus Aides are required to assist with post-trip inspection of the bus within this time.
- D. Bus Aides who work special education routes may work more than 5.25 hours per day as necessitated by the assigned route. Bus Aides are required to assist with post-trip inspection of the bus within this time.

- E. The Full-Time Dispatcher position will work an eight- (8-) hour day for an estimated two hundred forty (240) days.

The Part-Time Dispatcher position will work a four- (4-) hour day for an estimated one hundred eighty (180) days. However, in this position, the dispatcher will be allowed to bid runs that do not conflict with their primary dispatch responsibilities.

Both the Full-Time and Part-Time Dispatcher positions will include driving and, as such, each will be required to have the same credentials as all regular drivers.

The Full-Time Dispatcher will get Vacations and Holidays that may be different from those of the drivers by nature of the Dispatcher's different title and responsibilities.

If the Dispatcher position is ever eliminated, the time served in this position will count toward an employee's seniority and step if they decide to remain in the District as a driver.

- F. Employees will be on premise and available for assignment during all contractual hours. Employees must report to the Dispatch office for their a.m. assignment at or before their assigned report time.
- G. Bus routes which are scheduled five days per week, in addition to an employee's hours as mentioned in A through D above, shall be treated as contractual work time and eligible for pension contributions. Examples of such runs include, but are not limited to, mid-day kindergarten runs, mid-day preschool runs, and special education shuttles.
- H. No employee shall be regularly scheduled for more than eight (8) hours per day. Should an employee's schedule exceed eight (8) hours at any point during the year, the employee's schedule may be changed as needed. The parties may agree to a schedule which exceeds eight hours per day.

- I. Overtime shall be paid at the rate of one and one-half times the regular rate for all hours actually worked beyond forty (40) in a given work week, Monday through Sunday. An employee's regular hourly rate of pay shall not include any additional premium compensation for hours worked on Sundays.
- J. Employees are not paid for holidays. The listing of holidays below designates the specific days that employees are eligible to receive double their hourly rate for work actually performed on these holidays:
 - 1. Martin Luther King Day
 - 2. Independence Day
 - 3. Labor Day
 - 4. Thanksgiving Day
 - 5. Christmas Day
 - 6. New Year's Day
 - 7. Presidents' Day
 - 8. Good Friday
 - 9. Easter Day
 - 10. Memorial Day

A "Holiday List" shall be used for the assignment of eligible drivers on the above holidays. Weekends prior to, following or during school calendar holiday closures scheduled for two (2) or more days, will be scheduled utilizing the Holiday List.

If a school calendar closure or holiday is one day prior to, after a weekend, or during the middle of the week, the Holiday List will be only used on the day of closure.

- K. For each hour worked on a Sunday, up to an employee's fortieth (40th) working hour in one week, the employee shall be compensated at a rate of one and one-half times their regular hourly rate. This one and one-half premium "Sunday rate" shall be used instead of an employee's regular hourly rate for those hours worked on Sunday, until the employee reaches forty (40) hours for the week. Any hours worked on Sunday in excess of forty (40) hours in one week shall be compensated at the employee's overtime hourly wage, which is one and one-half times the employee's regular hourly rate.

- L. In an emergency, a mechanic, dispatcher, or supervisor may drive a bus or van. When driving a vehicle no longer licensed for student use, a mechanic, dispatcher, or supervisor may drive a bus or van provided all bargaining unit members have been offered the opportunity first.
- M. Should an employee report for a scheduled field trip or athletic event and that trip or event is cancelled, the employee shall receive one (1) hour of straight time pay and shall not be taken off the list if the cancellation is for a weekday trip; if the cancellation is for a weekend trip, the employee shall receive three (3) hours of straight time pay and shall not be taken off the list. If the driver is unable to perform work for a trip when asked with less than seventy-two (72) hours of notice before such trip, that unavailability will not be considered a refusal.
- N. Should a voucher run overlap with an employee's regularly scheduled contractual time, the employee shall only be paid for time actually worked (no double dipping).
- O. If a regularly scheduled contractual run is cancelled, the affected employee(s) shall be notified and given an alternate assignment for that day.

9. WORK YEAR

- A. The paid work year shall be defined as follows:
 - 1. A minimum of 180 student driving days (possibly more if following a non-Montgomery schedule).
 - 2. Employees are required to attend an annual orientation day. This meeting will be held in late August lasting no less than 4 hours but no more than 8 hours.
 - 3. Employees are required to attend monthly transportation meetings for up to two (2) hours per meeting.

4. Drivers shall complete a dry run for each route they are assigned prior to the first day of student attendance, and shall be paid one (1) hour of straight time for each such run.
5. Employees who resign shall provide the district with fifteen (15) days written advance notice.

10. SALARY

- A. Salaries shall be as set forth in the salary guides attached hereto as Appendix A and Appendix B. For the duration of the 2020-2025 Agreement, step movement on all Appendix A and Appendix B guides shall be frozen and staff members shall remain on the same step that they were on in the 2019-2020 school year. The parties will meet to review and suggest modifications to the existing Salary Guide and Placement Charts before the parties commence negotiations for the next collective negotiations agreement.
- B. If a current member refers a new hire and the new hire remains in the employ of the Employer for one full calendar year, the Employer will pay the referring employee a referral bonus of \$500 upon the new employee's first anniversary of date of hire.
- C. Salary increases indicated for 2020-2021 will be paid to employees retroactively. Employees who separated from the District prior to January 1, 2021 are not eligible for retroactive pay. Employees hired on or after July 1, 2020 will receive retroactive pay pro-rated based upon their hire dates.

11. HEALTH INSURANCE BENEFITS

- A. The Employer shall have the unilateral right to select or change any insurance carrier or plan, provided that any such alternate plan provides substantially equal insurance coverage. Any dispute dealing with the selection of the insurance carrier or plan shall not be subject to the grievance procedure contained herein.

- B. The Employer will provide a Medical Insurance Plan for all eligible members and full family coverage, if applicable. Medical insurance coverage will be provided to domestic partners who meet the State of New Jersey eligibility requirements for domestic partner. Individuals will need to submit a copy of their domestic partner certificate to qualify for this benefit. All eligible employees shall receive membership in the Horizon Educator 15 Plan less any employee statutory contributions to health insurance premiums as required by law.
- C. The Employer will provide a Prescription Plan for all eligible members and full family coverage, if applicable. The following co-pays shall apply: \$5 generic/\$15 preferred brand/\$30 non-preferred brand/1x mail order for 90 day supply.
- D. The Employer will provide a Dental Plan for all eligible members and full family coverage, if applicable, with a maximum annual benefit of \$1,500.
- E. The Employer will provide an enhanced vision hardware benefit to a maximum of \$300 during each two (2) year period.
- F. The Employer will provide an Employee Assistance Program (EAP) for all eligible members.
- G. Employees hired on or before June 30, 2021 who qualify for health benefits may choose to waive medical and/or dental coverage on an annual basis and receive a monetary sum in lieu of coverage by submitting a completed waiver form. An annual reimbursement up to \$3,500 (\$3,100-medical/\$400-dental) shall be issued to employees opting to waive full family insurance coverage. An annual reimbursement up to \$2,000 (\$1,850-medical/\$150-dental) shall be issued to employees opting to waive single insurance coverage. Participation in the program shall be subject to the following conditions:
 - 1. The waiver form must be submitted to the Human Resources office by June 1, and must be effective for the entire school year (July 1 - June 30). Each waiver will be effective for one

year and must be renewed each year if a continued waiver is desired.

2. An employee who has waived coverage, but later loses coverage in his/her alternate insurance plan may resume coverage under the Employer's plan subject to the rules and regulations of the insurance carrier. In such cases of emergency reentry, the reimbursement amount shall be prorated accordingly on a monthly basis.
 3. One-half of the annual reimbursement amount shall be issued to participating employees on the first pay period in January for the July 1 - December 31 period, and the remaining one-half shall be issued on the first pay period in June for the January 1- June 30 period.
 4. New hires as of July 1, 2021 shall not be eligible for the waiver incentive for waiving health insurance.
 5. A Section 125 Plan will be established.
- H. A flexible spending account plan will be made available through payroll deduction for any annually contracted employee who wishes to direct an annual amount not to exceed Two Thousand Seven Hundred Fifty Dollars (\$2,750) paid over a monthly basis toward uninsured medical/dental expenses and/or an amount not to exceed that permitted by Section 125 laws for elder/dependent care expenses. The Employer will develop a form for an annual selection for any interested employee. The annual selection made by the employee cannot be modified during the year. The employee will be responsible for filing for reimbursement for eligible expenses through a third-party administrator up to the annual amount specified by the employee. Any funds left over at the end of each year (June 30) will be returned to the Employer unless they are used within the following "grace period" as set forth more particularly in the plan documents (said "grace period" shall exist so long as it is

consistent with current Internal Revenue Service rules and regulations). The Employer will be responsible for the cost of the third-party administrator. The Employer shall have the right to select the third-party administrator. All contributions made through this program are done on a pre-tax basis for federal tax purposes in accordance with Section 125 laws.

- I. Individuals receiving health insurance benefits shall pay the contribution required as a specified percentage of the cost of coverage for health care benefits for their salary ranges, but not less than 1.5% of their base salaries, as required by N.J.S.A. 18A:16-17 and 17.1 and according to Ch. 78, P.L. 2011, as may be amended during the term of this Agreement, and shall be deducted from the employees' salaries and paid, in equal installments, in accordance with the payroll schedule for all staff.

12. SELECTION/APPOINTMENT OF BUS ROUTES

- A. Initial bus routes for the school year and for the summer shall be selected by Bus Drivers and Bus Attendants in the order of their seniority. The school district will provide copies of the seniority list so that Drivers and Attendants may make their selection. All Bus Drivers and Bus Attendants must attend a 2-hour training session regarding special needs students prior to the opening of school, and as required, at various intervals throughout the school year. All Drivers and Attendants who have completed the special education training are eligible for a special education route based upon seniority. When disseminating the list of routes for the school year, the Employer shall indicate, for each route, the number of students who require a Bus Attendant.
- B. In addition to the school year and summer routes, the following list contains additional substitute work available to drivers that will be assigned on a rotating basis upon their order of seniority:
 - Pre-K/Kindergarten Substitute
 - Midday Extra Work/Vocational

- Late Bus Substitute
- Athletic
- Saturday Athletic/Field Trip
- Sunday Athletic/Field Trip
- Field Trip
- New York City
- Holiday List, excluding long weekends, winter break, and spring break

Drivers shall have the ability to designate their availability for weekend trips by indicating either Saturdays, Sundays, or both weekend days.

1. If a driver refuses a scheduled field trip or athletic event three (3) consecutive times in any one school year, the driver will be removed from the rotation lists for the remainder of the school year.
2. If a driver fails to report for a scheduled field trip or athletic event once in any one school year, the driver will be removed from all rotation lists for the remainder of the school year. The driver shall be personally served with prior notice of the assignment.
3. If a scheduled field trip would result in more than three (3) midday drivers being used to cover the trip, the remainder of the drivers will be skipped to ensure consistency and coverage for midday runs. The drivers skipped will be placed at the top of the rotation list for the next available trip.
4. Substitute work will be assigned on a rotating basis upon the employees' order of seniority. New employees will be added to the bottom of the rotation list and they will become immediately eligible to participate in the rotation. (Employee does not have to wait until previous rotation list has been exhausted).

- C. Management reserves the right to change route assignments due to parental conflict, student conflict, driver strengths or other legitimate reasons at any time during the school year. Management shall provide employees under this provision with an immediate explanation of the reasons for such action, which shall be put into writing and provided to the employee within two (2) working days.
- D. In the event that there are new runs added or existing runs vacated during the work year, the Transportation Supervisor shall fill these vacancies by seniority subject to the following rules:
 - 1. An employee is eligible for one lateral contract move and one lateral extra work move per school year;
 - 2. The Supervisor shall fill the vacancy caused by the lateral move by assigning qualified employees into these positions from the complement of spare employees.

However, runs which do not generally interfere with existing route schedules (such as a mid-day run) will be posted for employee bidding for a three (3) day period and filled through the established employee route selection process based on seniority. If there are no drivers or vehicles available, the route will be contracted out.

Extra work shall be assigned by seniority. Employees may select one (1) extra work item. Employees shall not be assigned an additional extra work item until all drivers with less seniority have been offered. Employees may be entitled to a second extra work item as long as they do not exceed eight (8) contracted hours.

Extra work that becomes available throughout the school year should be offered to employees without any extra work first on a seniority basis. After all employees without extra work have been offered, the offer shall be extended to remaining employees on a seniority basis.

- E. Mid-year requests may be considered if presented in writing. The employee will be placed on the bottom of the list if granted.

13. DISCIPLINE

Discipline may be grieved under the grievance procedure. The Union shall be notified of any employee discipline action by regular mail postmarked within 72 hours of the action.

Discipline of an employee shall be imposed only for just cause. The Employer will generally discipline employees in such a manner so as to not unduly embarrass the employee in front of the public or other employees. Discipline shall only be imposed on an employee holding permanent status for just cause and shall be progressive; however, it is understood the progressive discipline includes the concept that more serious offenses may merit more severe penalties, up to and including immediate discharge.

14. OUT OF TITLE WORK

It is agreed that all employees shall be offered and given work based on their job title and the duties thereof. If an emergent need occurs within a certain job designation, good-faith efforts to assign the task to individuals within the affected job classification, and in accordance with the seniority provisions, shall be made prior to assigning out-of-title work. It is understood that the emergent need provision will not be used unreasonably.

15. NO STRIKE/NO LOCKOUT

Section 1: During the term of this Agreement, the Union agrees that its goals and purposes are such that it does not condone strikes by bargaining unit employees or work stoppages, slowdowns, or any such actions, which would interfere with service to the public or violate the constitution or laws of the State of New Jersey.

Section 2: The Employer agrees that there shall be no lockout of employees during the term of this Agreement.

16. LAYOFF

- A. When it is necessary to lay off employees, the Union shall be notified as far in advance as practicable. The Employer shall provide the Union with seniority lists upon request.
- B. Total aggregate seniority with the Employer shall be a determining factor to be considered when identifying which permanent employees are to be laid off.
- C. Employees finally determined to be laid off and who leave the payroll shall be given thirty (30) working days' notice.

17. CONTRACTING/PRIVATIZATION

The Employer reserves its right to continue to use outside contractors to cover certain routes. Should the Employer exercise its right to subcontract out the work of certain bargaining unit positions, the Employer shall notify the Union in writing and, at its request, meet with the Union to negotiate the impact of its action on affected employees. The Union may also present suggestions to save money in an effort to avoid privatization.

18. LABOR-MANAGEMENT MEETINGS

Section 1: A committee consisting of the Employer and Union Representatives may meet for the purpose of reviewing the administration of the Agreement and to discuss problems which may arise there from. For the purpose of this Agreement, these meetings, which shall not exceed four (4) per year except upon mutual consent, are intended as a means of fostering good and sound employment relations through communications between the parties.

Section 2: Either party may request a meeting as indicated in section 1 above and shall submit a written agenda of topics to be discussed seven (7) days prior to such meeting.

Section 3: A maximum of two (2) employee representatives of the Union may attend such meeting and if held during regular work hours, they shall

be granted time to attend without loss of pay. In addition, the Local and International Union Representative may attend.

19. MATERNITY LEAVE

Employees covered by the Agreement shall be entitled to maternity leave as hereinafter set forth. Each employee shall also deliver to the Employer a physician's certificate stating the expected delivery date of the child. Such employee shall be granted any earned and accumulated sick leave during the temporary disability period which includes the four weeks prior to the delivery date and four weeks after the actual date of birth. Requests for the use of accumulated sick time beyond the temporary disability period shall require a doctor's certificate indicating the necessity therefore. Subject to the approval of the Employer, the employee may request the maternity leave without pay in lieu of the use of earned and accumulated sick leave. Eligible employees may request family leave after the expiration of the temporary disability period. Once the temporary disability period and family leave entitlements have been exhausted, employees may request childrearing leave, without pay or benefits, for the duration of the school year in which the request is made.

Such supplemental compensation payment shall be computed at the rate of one (1) day's pay for each four (4) days earned and unused accumulated sick leave based upon the employee's average annual compensation received during the last school year of his/her employment prior to the effective date of his/her retirement, provided, however, that no such lump sum supplemental compensation payment shall exceed \$5,250.00, as set by the Employer.

The lump sum supplemental compensation provided for accumulated sick days shall in no way affect, increase or decrease any pensions or retirement benefits to such retired employee.

Notice of intention to claim the benefits provided herein must be made in writing to the Employer on or before December 1st of the school year prior to the school year in which the retirement becomes effective. In the event that an employee fails to give notice by such December 1st date, the Employer may defer payment of all or part of the benefit to the school year following retirement.

23. SCHOOL CALENDAR

The Employer reserves the sole and exclusive right to establish and/or modify the school calendar. The Union cannot file a grievance over the Employer's action in establishing or modifying the school calendar. The Union
