The Central to Jersey Program for the Recruitment of Diverse Educators (CJPRIDE) is hosting its annual Job Fair (virtual) from 4 pm to 6 pm on Thursday, March 30, 2023. All individuals seeking employment in education are encouraged to participate in the virtual event. To complete the online application, candidates must pre-register by visiting www.cjpride.com.

Montgomery Township School District is among the districts participating in the virtual fair. For more information about our district, please visit [Montgomery Township School District](http://www.montgomeryschools.org).

CJPRIDE is a consortium of eighty school districts representing 19 of the 21 counties in New Jersey. The consortium actively seeks candidates from underrepresented groups to serve our diverse students in districts statewide.

The CJPRIDE virtual fair is an excellent opportunity for job seekers to meet with school administrators from several New Jersey public school districts.

CJPRIDE is governed by an executive board; President Charity Comella, West Windsor Plainsboro Regional School District; Vice President Jennifer Sharp, Freehold Regional School District; and Secretary Kelly Mattis, Montgomery Township School District.

In addition to hosting an annual career fair, CJPRIDE members have committed to enhancing employment opportunities in New Jersey public schools. The group meets monthly as a consortium and works in a committee-style format.

For school districts seeking more information about CJPRIDE's mission and membership opportunities, please visit the CJPRIDE membership information page.
