Hi Boys and Girls! I am SO looking forward to our school year together. We will play...a LOT, learn, sing, create, use our imagination and have SO much fun!

All About Me! This is my 16th year in Montgomery and I have taught many different grade levels-- but I have loved my time in Pre-School. My husband is also in the field of education and is an Athletic Director in a nearby school. I have a 3 year old daughter and a 7 year old son who will be in 2nd grade at Orchard Hill! I work as the supervisor of the district summer program but we have had a family vacation to Florida as well as a cruise to the Bahamas! I hope you have had some adventures as well!
