Parent/Guardians:

It has come to our attention that many of our junior students who have obtained their driver's licenses over the last several months have been parking on school property. Parking is reserved for the following individuals:

- **Seniors who have the proper paperwork and tags.**
- **Juniors who have won the junior parking lottery in October and have the proper paperwork and tags.**
- **Faculty and staff members.**

Over the next several weeks, administration will be strictly enforcing the parking lots to ensure that only tagged vehicles are utilizing campus *parking*.

The following consequences will be implemented for any junior who is parking without proper approval:

- **1<sup>st</sup> offense; detention**
- **2<sup>nd</sup> offense; 30 day revocation of senior year parking privileges and two after school detentions**
- **3<sup>rd</sup> offense; 60 day revocation of senior year parking privileges three after school detentions.**

Thank you for your understanding and cooperation.
