Dear Parent/Guardian,

The New Jersey Dental Association's annual "***Give Kids a Smile Day***" will occur on **Friday, February 1, 2019**. They will celebrate years of delivering much needed FREE oral healthcare. We are unaware of individual circumstances regarding dental health coverage; ***Give Kids A Smile Day*** is meant to help children who cannot otherwise afford to see a dentist; although participating locations rarely turn anyone away. If you do not have dental health coverage for your child you may choose to participate in this free program for children age 12 and under. This is a terrific opportunity for free dental care for your child and a fun-filled introduction to dentistry and the importance of oral health.

Children will be seen by appointment only. Parents/Guardians/ **MUST CALL THE SELECTED LOCATION AND MAKE AN APPOINTMENT PRIOR TO "*Give Kids A Smile Day*" (FRIDAY, FEBRUARY 1, 2019)**. Appointments book extremely fast. If you are interested you should call at least two/three weeks prior to February 1, 2019.

*The program's website; [www.njda.org](http://www.njda.org) will have answers to most every question about Give Kids a Smile Day* If after reviewing the website you still find that you have unanswered questions, please feel free to contact the nurse of your child's school.

If you are interested in this program, call immediately for an appointment at the location most convenient for you. Scroll down for a list of providers.

Sincerely,

MTSD Health Services
