Office of Pupil Services

September 24, 2013

Dear Parents and Guardians,

As we have begun to settle into another exciting school year I would like to take the opportunity to introduce myself to you. My name is Mary McLoughlin and I am the new Director of Pupil Services for the Montgomery Township School District. I come to Montgomery with fourteen years' experience as an administrator, five of which I served as Director of Special Services. It is an honor and a pleasure to be part of the dedicated administrative team that continues to work with the district's staff to ensure that we are providing the best programs for all of our students.

There are many opportunities for you as a parent to contribute, and one of them is to volunteer to be a part of the **Special Education Parent Advisory Committee**. This committee will meet to discuss topics, concerns and other relevant items as they pertain to our special education programs throughout the district. If you are interested in becoming a member of this committee please email me at mmcloughlin@mtsd.us. It would be great to have parents represented from all of our schools, so please consider volunteering.

I look forward to meeting many of you at the SEPTA barbecue that is scheduled for this Friday, September 27, 2013 beginning at 5pm at Montgomery Park.

Sincerely,

Mary E. McLoughlin
