BOARD/PUBLIC COMMENTS
Ms. Tonkin thanked Ms. Chenette and the entire Board for their tireless effort to the district. Everyone on the Board will have a voice.

Ms. Rao stated she would like to see a policy change where there is a change in the leadership of the Board each year. Both the president and vice president should change each year. She also stated that full-day kindergarten and later start times are a priority, but they must be sustainable.

Mr. Tiwari stated the Board achieved a lot last year. He would like to see that team effort continue for the coming years.
Ms. Miller stated that she hopes 2020 brings a good team effort with different ideas and positivity. She would like an email blast sent out regarding the vacant Board position and to possibly extend the deadline. The interviews would then start soon after that.

Mr. Scott Mason, President of the MTEA, congratulated Ms. Tonkin as becoming the president of the Board and thanked Ms. Chenette for her service as board president. He also welcomed Mr. Venanzi back as the BA and looks forward to the MTEA’s continued collaboration with the Board which has garnered recognition across the state and country. Mr. Mason also stated that the district learning teams are comprised of strong leaders from each building and has never seen more harmony in the district in the 25 years he’s been employed here.

Ms. Kathy Sinclair, First Vice President of the MTEA and MTEA Vice President at Orchard Hill Elementary School also spoke of the collaborative effort of the Board and central office administration. She was happy to see many stakeholders have a voice when the full-day kindergarten committee was launched. It was very important to get input from the two kindergarten teachers and preschool teacher involved.

Mr. Jim Dolan, MTEA Vice President at Village Elementary School, spoke of collaborative effort as well. The professional learning communities (PLC) are important as everyone in the room is seen as “educators.” The new PLC allows everyone to have a voice and offers the flexibility of meeting with other PLCs. In addition, the minutes are kept electronically and available for all to see.

Mr. David Gordon, MTEA Vice President at the Lower Middle School, stated that collaboration is important, especially when dealing with Social Emotional Learning (SEL.) The Lower Middle School has a flexible schedule which meets its staff members’ needs. The schedule was created through the collaboration of the flex schedule committee.

Ms. Karen Kevoorkian, MTEA Vice President at the Upper Middle School, noted that she has never seen a Board meeting where the MTEA membership came out to say good things about the Board of Education. This could only happen because of the collaborative effort of the Board and staff. Collaboration is the modern day education because it invites all relevant voices to have an opinion.

Ms. Jennifer Jones, MTEA Vice President at Montgomery High School, stated that collaboration means coming to the best decision for all stakeholders. There needs to be transparency and an open line of communication which creates a healthy work environment. The high school has a solutions committee where members come to meetings with answers instead of problems.

Mr. Adam Warshafsky, Vice President of the APSMT, congratulated Ms. Tonkin and Ms. Bursh for being appointed president and vice president of the Board, respectively. He echoed the thoughts of his MTEA colleagues regarding the collaboration between the Board and staff members. The relationship between the Board and staff is in a much better place as compared to a year ago. This is all due to the collaborative process.

Ms. Susan Lacy, Principal at Village Elementary School, thanked the Board for its collaborative efforts, especially in allowing the APSMT to be included in the Board’s committee meetings. The APSMT looks forward to the collaboration in the upcoming year to achieve many of the district’s initiatives.
Ms. Sadaf Jaffer, Mayor of the Township of Montgomery, stated she is the township’s liaison to the Board of Education. Public service is a thankless job; however, the collaboration between the township and the Board of Education has allowed for important steps to bridge the two governments according to Mr. Vincent Delucia of the NJSBA.

Mr. Jack Garhart, 26 Bayberry Lane, Belle Mead, requested the Board go out for referendum for the funding of the full-day kindergarten. He believes the residents should be able to vote on it.

Ms. Marisa Narula, Belle Mead, congratulated the Board of Education for the work they’ve done over the past year. She thanked Ms. Chenette for her service and looks forward to Ms. Tonkin doing a great job as the new president of the Board. In addition, she is excited about the possibility of adding full-day kindergarten as Montgomery is one of the last three districts in Somerset County not providing it.
